

Dear Parents and Guardians,

Heath and Reach Beaver Uniform (last updated October2022)

Scouting is a uniformed organisation, and although we are fairly relaxed compared to some Groups, there are times when we expect our members to be smart and in uniform.

We strongly believe in dressing appropriately for the occasion, and when we go on events we will usually try and state what is to be worn. If a member has less than six months left before they go to Scouts and they need to buy uniform, we're prepared to discuss options. Please find below a list of what is essential, or worth considering.

Prices are only intended as a guide, they do vary.

	Sweatshirt	Polo shirt or T-shirt	Activity trousers	Necker (scarf)	Woggle	Footwear	Badges

Notes	Should be worn to most meetings and events, unless instructed otherwise.	This is completely optional but they are fairly popular. Please note if you buy this you must still get a sweatshirt.	For most weeks any dark trousers are fine. If it's hot, shorts are fine. For some events we do request dark trousers: these Scout activity trousers or school trousers will be fine.	Should be worn at virtually every event unless instructed otherwise.	Important: Beavers should not buy their own fancy woggles. We realise some of them are very attractive, but they are not our uniform. We might swap woggles around if they change Lodge.	For weekly meetings, any comfy and safe footwear is fine. (Must be suitable for games.) There are occasions when we expect smart dark footwear (e.g. school shoes). For some activities it may be necessary to wear hiking boots or similar.
